

Velikonoční hra pro děti

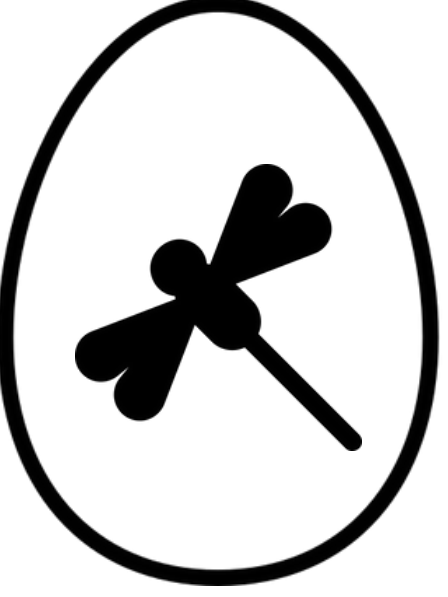

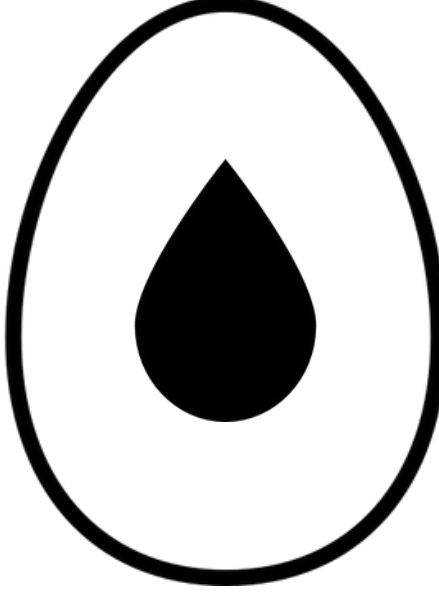

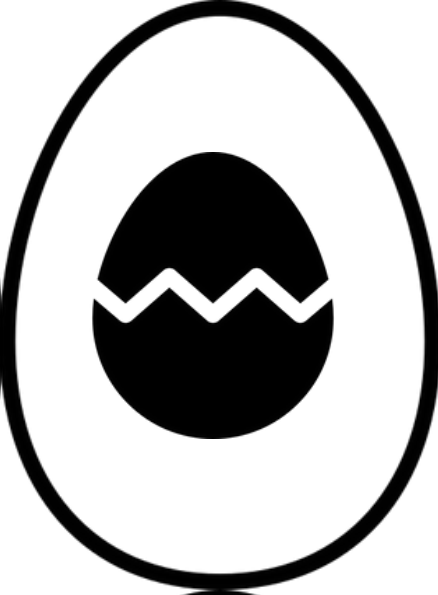

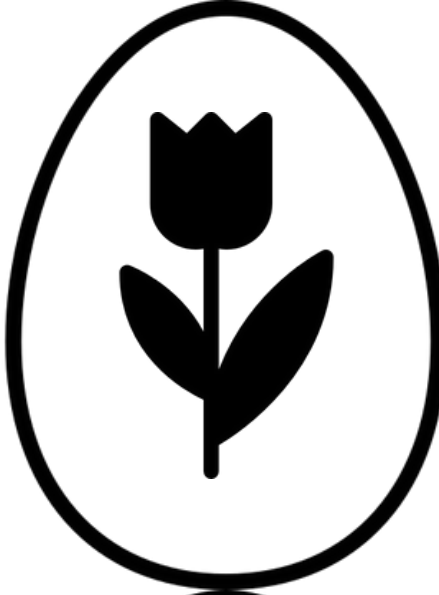

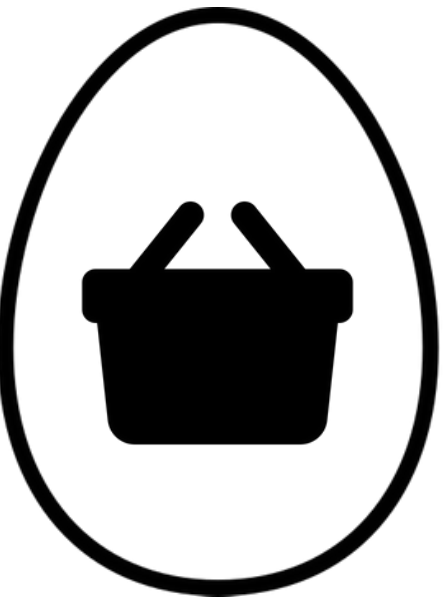

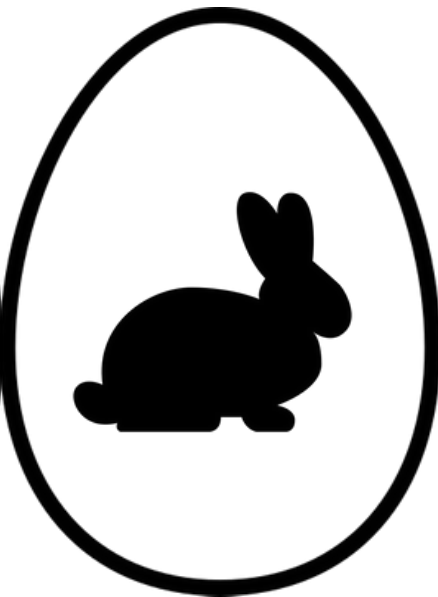

Soubor si vytiskněte. Můžete volit 2 úrovně obtížnosti - 9 nebo 18 vajíček s obrázky.

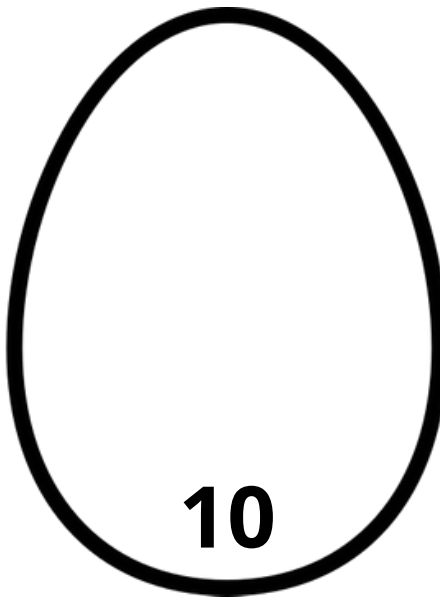

1. Lepidlem k sobě slepte stránku s vajíčky a obrázky (2 a 3, 4 a 5).
2. Všechna vajíčka vystříhnete a zalaminujete.
3. Vystříhnete si i tabulky, ale už bez laminace. Do nich budou děti psát/malovat.
4. Do vajíček udělejte dírky a provlékněte šňůrky.
5. Vajíčka rozmístěte po zahradě, domě, bytě nebo jiném místě, kde budou děti hledat.

Teď už nezbývá, než vám popřát šťastný lov vajíček. Co děti dostanou nebo najdou na konci lovu, nechám už na vás.
